Pride in his home town's appearance, the will to do something about it, and the desire to help other people brought public recognition of his efforts to Mr. James Walker when he was named Citizen of the Year for 1962. Shown, on the right above, is "Jim" being congratulated by Selectman Leonard Greer who presented the award at the Citizen of the Year Dance at Greenleaf Auditorium on January 27th.

## A COMMUNICATION TO PITTSFIELD

---

J. F. DRAKE  
PARK PLAZA APARTMENTS  
128 North Craig Street  
Pittsburgh 13, Pa.

January 2, 1962

Board of Selectmen  
Town of Pittsfield  
New Hampshire

*Dear Sirs:*

I am, this day, sending to the Town Treasurer \$500 as a gift to provide for Band Concerts for the 1962 Season. When you report this to the Town Meeting next March, I would thank you to state that it was given as a memorial to my late father and mother, Mr. and Mrs. Nathaniel S. Drake, who always enjoyed the Band Concerts during the later years of their lives.

I was fortunate enough to attend one of the Band Concerts last summer and was very favorably impressed. I was particularly pleased that so many young people, both boys and girls, were members of the Band. I think that is something to be desired.

Sincerely yours,

J. FRANK DRAKE.

**TOWN WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

---

*To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Pittsfield on Tuesday the thirteenth of March next, at ten of the clock in the forenoon until six-thirty in the afternoon; and at Greenleaf Auditorium in said Pittsfield at eight of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

(The polls shall open not later than 10:00 A. M. and shall remain open until 6:30 P. M.)

2. To see if the Town will vote to adopt the Town Manager plan as provided in Chapter 37 of the Revised Statutes Annotated. In the event of an affirmative vote to see if the Town will vote to raise and appropriate the sum of (\$5,000.00), five thousand dollars to pay the salary and expenses of the Town Manager for the remainder of the ensuing year.

3. To see if the Town will vote to authorize the Selectmen to salvage all material possible from the Town Factory Buildings on Joy Street and to dispose of the remainder of the buildings in such manner as they deem to be in the best interest of the Town, and raise and appropriate the sum of (\$600.00), six hundred dollars, for this purpose. (Recommended by Budget Committee.)

4. To see if the Town will vote to authorize the Selectmen to, sell, lease or make such other disposition as they deem to be in the best interest of the Town, all, or any portion of, the land now owned by the Town on Joy Street after first removing the buildings as provided in Article 3 preceding. This authority to continue in effect until resolved by a subsequent vote of the Town.

5. To see if the Town will vote to authorize the Planning Board to employ, in cooperation with the N. H. State Planning and Development Commission, a consultant, to make a survey of the Town, study its natural and potential resources, and make recommendations as to

the best program for future development of the Town; and raise and appropriate the sum of (\$3,200.00), three thousand two hundred dollars, to pay the Town's share of the cost of the same. (Recommended by Budget Committee.)

6. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of purchasing equipment for the building and maintenance of highways and streets, and raise and appropriate the sum of (\$2,000.00), two thousand dollars, to be paid into said fund in 1962. (Recommended by Budget Committee.)

7. To see if the Town will vote to raise the sums of money recommended by the Budget Committee for Town expenses for the year ensuing and make appropriations of the same.

8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1962 taxes the same to be paid from that year's levy.

9. To see if the Town will vote to accept the following trust funds:

DONOR	PURPOSE	AMOUNT
Gladys L. Hartwell	c/o Oliver Gray & Joseph Leighton lot in Floral Park Cemetery	\$ 200.00
Gladys L. Hartwell	Increase in Trust Fund for care of William Band & Frank H. Hartwell lot	100.00
Margaret Hook Estate	c/o Sherburne Winslow lot in Floral Park Cemetery	500.00
Margaret Hook Estate	c/o Tilton Hill Cemetery	200.00
Margaret Hook Estate	c/o Lots not otherwise provided for in Floral Park Cemetery	17,399.77
David S. Tilton	c/o Belli Lot in Floral Park Cemetery	200.00
Lura True	c/o Charles Roberts lot	50.00
Katherine L. Leeds	Increase in Trust Fund for care of Laura Emerson lot in Floral Park Cemetery	200.00
Archie B. Corson	c/o Archie B. Carson lot in Floral Park Cemetery	150.00
Dora S. Welch	c/o Frank and Maybelle Welch lot in Floral Park Cemetery	100.00
Ernest Greene	Increase in Trust Fund for care of Ernest G. Greene lot	100.00

Walter True	c/o S. S. Jenness, Hannah J. True and Sam and Emily Pratt lot in Floral Park Cemetery	300.00
Kenneth and Annette Danis*	c/o lot in Mt. Calvary Cemetery * (Received in January, 1962)	300.00

10. To see if the Town will vote to discontinue the road now leading from State Route No. 28, near the residence of Roland and Ann Mousseau, in a westerly direction to an intersection with High Street north of property now of Hillsgrove Oil Co. (By Petition.)

11. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this seventeenth day of February in the year of our Lord, nineteen hundred and sixty-two.

LEONARD M. GREER,  
HARVEY A. MARSTON,  
RICHARD C. FOSS,  
Selectmen of Pittsfield.

A true copy of Warrant — Attest:

LEONARD M. GREER,  
HARVEY A. MARSTON,  
RICHARD C. FOSS,  
Selectmen of Pittsfield.

Less 39 Vouchers Not Paid by Bank	7,284.80

	\$ 14,935.41
--	--------------

Respectfully submitted,

J. HAROLD WEEKS,  
Treasurer.

## SELECTMEN'S REPORT

Another year has become a part of the past with no outstanding major changes in the Town. The proposed rerouting of Route 28 became a subject of considerable interest during early 1961 with the Department of Public Works and Highways surveying several locations to determine the most feasible route for the road which will by-pass the business section of the Town. At the time it was expected that this project was to be put on the drawing board during 1961 and that construction would start in 1962. It now seems there has been a postponement and no definite schedule for the project is laid out.

This past year the road from the Pittsfield-Northwood line around Jenness Pond to Route 107 was improved with TRA funds and is ready for black top surfacing. There was not sufficient money in these funds to complete the job in 1961. It is planned to complete the project in 1962.

The five band concerts given were paid for from the funds given by Col. J. Frank Drake and an allotment of \$125.00 from the appropriation for "Parks and Playgrounds, including Band Concerts." After all expenses were paid there was a balance of \$85.44 which was turned over to the Pittsfield High School Band Fund. This was done in appreciation for participation by the members of the High School Band who took part in the concerts and to encourage future participation. It is to be hoped that greater interest will be shown each year by the younger musicians and we believe such an exhibition of interest will be the most effective way of expressing appreciation for Col. Drake's generosity.

The bandstand was reroofed, repaired and painted, a job which was badly needed. Much credit is due Mr. James McQuestion who did all the repairing and painting at no expense except for material used.

During the period of excessively low water the gates closing the penstock leading into the Suncook Leather Co. buildings from the Pittsfield Dam were found to be rotted away. This situation was considered very dangerous inasmuch as there would be no way of closing this penstock should a break occur either under the roadway or anywhere under the mill buildings. The problem was further complicated by the fact that none of the flood gates which would drain the dam could be opened. Since this penstock is about ten feet in diameter the drainage which could have resulted might well have been one hundred thousand dollars or more. The selectmen applied to the Budget Committee for approval of an emergency expenditure of \$5,000.00 to seal off the entrance to the penstock with a reinforced concrete wall and to make repairs necessary to operate one flood gate. This expenditure was approved by the Budget Committee and the

State Tax Commission. The E. D. Swett Construction Co. of Pembroke, N. H. was employed to make the repairs at a cost of \$4,850.00.

Representative Ralph Brewster attempted, unsuccessfully, to obtain an allotment of funds from the State to cover the repairs to the Pittsfield Dam. May we take this opportunity to express our appreciation to Ralph for his efforts which have aided materially in expediting negotiations to sell the dam to the New Hampshire Water Resources Board. These negotiations are currently in progress and it is expected that title will be transferred in the near future. It is understood that the Water Resources Board plans to make further repairs to the dam after they take title to it. In compliance with the vote of the 1961 Town Meeting appropriating funds to reappraise all taxable property, the Selectmen, during the year, employed Mr. Robert Gamache of Manchester; a registered appraiser with excellent reputation and recommendation, to appraise the commercial and industrial property in town. They made a very complete survey of this property and submitted complete detailed appraisals which were used to make 1961 assessments.

During the summer months several graduate students of the Dept. of Government, University of N. H., were employed to make a survey of all residential property. The information they obtained has been transferred to records showing the size and description of each building. From this data the selectmen computed a value for each parcel of property and the assessment for 1961. In addition to the survey made by these people the selectmen made personal inspection of a great many properties. The computations were all based on a formula which is widely used, not only in the State of New Hampshire but in other states as well. Every effort was made to appraise the properties on an equal basis with relation to each other and wherever possible to use recent sales as a comparative factor to check our computation. Considerable time was spent in coordinating residential appraisals with those made by Mr. Gamache to insure equality between residential and industrial properties.

During the course of the year a completely new system of records of taxable property was set up which will make the work of assessment and tax computation considerably easier in future years.

Let us all hope that 1962 will bring forth continued progress and improvement which will make Pittsfield a better place in which to live and work.

Respectfully submitted,

LEONARD M. GREER,  
HARVEY A. MARSTON,  
RICHARD C. FOSS,

Selectmen.

## SUMMARY OF RECEIPTS

---

### CURRENT REVENUE:

From Local Taxes; Collected & Remitted to Treasurer:	
Property Taxes, Current Year	\$143,137.20
Poll Taxes, Current Year	1,268.00

### Expenditures

Books and Magazines	\$598.48	
Supplies	160.83	
		\$759.31
Balance as of Jan. 1, 1962		\$974.20

## REPORT OF THE TRUSTEES OF CARPENTER MEMORIAL LIBRARY 1961

---

The activity of the library progressed very well during the past year. The increase in borrowing from the State Library Bookmobile has enabled the Carpenter Memorial Library to extend its service to its borrowers.

In February, our Librarian, Mrs. Goodwin, suffered a serious accident and was hospitalized for a period of months. The library was very fortunate in having Mrs. Arthur Kelley, a long time friend of the library, fill in the breach until Mrs. Goodwin was able to return. Mrs. Kelley was ably assisted during this time by Mrs. Arthur Wilson.

During the course of the year the library received several memorial books to add to its collection. This is an excellent way of remembering the departed and much appreciated by the Trustees and the borrowers.

A new sign designating the library hours was donated by the Rotary Club and will be installed as soon as weather permits.

This member was honored by being appointed by the Governor to his State Commission for the Survey of Libraries throughout the state. As the statewide survey progresses, it is hoped that many ideas and suggestions will be put to use for our library in Pittsfield.

Circulation report for the year is as follows:

Adult Books .....	7,572
Juvenile Books .....	4,496
New Books .....	260
Registrations .....	335

RALPH C. VAN HORN,  
Secretary.

KENARD F. AYLES,  
Special Justice.

## AN APPEAL FROM YOUR FOREST FIRE WARDEN

---

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
  2. Secure the required burning permit.
  3. Keep your fires under control.
  4. Completely extinguish your fires before leaving them.
  5. See that your children are properly cautioned.
- Everyone will benefit by it.

### 1961 FIRE RECORD

GERALD H. HIGHT,  
District Fire Chief.

GEORGE REED,  
Forest Fire Warden.

## CIVIL DEFENSE

---

The Local Director and his Assistant attended meetings in Concord, Boscawen and Loudon during the past year.

Governor Wesley Powell called a statewide meeting of Civil Defense Officials October 29th. This meeting was held in Representatives' Hall and the Governor presided.

Col. Otlo J. Rohde, Ass't. District Engineer, U. S. Army Corps of Engineers, was the principal speaker. He discussed Fallout Shelter Survey and Shelter Construction.

Various exhibits of shelter models, equipment and other items of interest were on display.

September 13, 1961, a meeting of Area 6, Co-ordinator and Directors, was held at Boscawen's Civil Defense.

Common problems, obligations and plans for mutual aid in case of enemy attack were discussed.

Operation Alert 1961 was held April 28th upon receipt of warning red. The take cover signal was sounded; all traffic, except emergency vehicles, was stopped.

Pedestrians were cleared from the streets and sidewalks and were directed to take cover. All schools were evacuated.

The Town of Pittsfield Civil Defense "Operational Plan" has been revised to protect and care for the inhabitants of the Town of Pittsfield against Radioactive Fallout. Pittsfield had been prepared and trained as a Reception Community. We were to receive 2,300 persons from Ward 8, Concord, N. H., and assigned the responsibility of housing and caring for these evacuees. Critical targets have been evaluated and except for the one target area in New Hampshire, (Portsmouth and Pease Air Force Base), fallout of radioactive particles constitute the largest threat to the State.

The Pittsfield Civil Defense Organization has 32 persons trained in "Fallout Protection" and (4) four fixed RADEF Monitoring Stations. Each station is equipped with one (1) CH720, one (1) CDV710 Survey Meter, two (2) CDV700 Geiger Counters, Rate Meter Dosimeters and Charger.

Civil Defense Equipment under the Surplus Property Program has been received for the following Civil Defense Services; Police, Fire, Rescue, Engineering, Radio Logical (RADEF), Wardens, Welfare and Staff.

In conclusion, I wish to emphasize that the Theme for Civil Defense for 1962 will be "Fallout Protection" and may I point out that an effective Civil Defense requires the participation of every Citizen.

RICHARD F. HERRICK,  
Director.

RICHARD E. CLARK,  
Ass't. Director.

## DISTRICT NURSING ASSOCIATION REPORT

ADOLPH J. DAROSKA,  
Auditor.

## REPORT OF THE RECREATION COMMISSION

---

Following the 1961 Town Meeting, the undersigned members of the Recreation Commission were appointed by the Selectmen. The purpose of this Commission is to oversee the operation of the municipal swimming pool.

Prior to opening, the Pittsfield Swimming Pool Committee had provided the pool with all the recommended safety equipment, the funds having been donated by various civic organizations and merchants of the Town. Three life guards, namely Dennis Murphy, Douglas Jenisch and Carolyn Franzeim, had been selected and sent to obtain their Senior Life Saving and Aquatic Instructor Certificates.

Brief ceremonies were held on July 2, 1961 when the pool was designated as the Dr. Forrest B. Argue Memorial Pool. Financially it was impossible to dedicate a suitable memorium but a stone and plaque have been obtained and will be dedicated next summer. Mrs. H. Grafton McKenney has donated a flag pole in memory of the late H. Grafton McKenney which will also be installed and dedicated.

The pool was readily accepted by the townspeople with an average daily attendance of 117. The season total was 5,270. Free swimming lessons were offered to all Pittsfield children and a total of 291 participated in these morning classes. Pre-school and adult classes were offered and proved quite successful. Junior and senior life saving courses were offered to advanced swimmers.

The water was tested every two weeks throughout the swimming season by the New Hampshire Health Department and each time the water was found to be of good swimming quality. This has, and always will be, the practice of the Commission to have the water tested throughout the swimming season.

The facilities presently provided are adequate for a much more extensive use. Financially, the predictions made from available information of other municipal pools throughout the state were not accurate. The people in this area did not make use of the pool as was done in other towns, therefore, it was not self-supporting as predicted. It is expected this will be corrected within a short time by adjustments in fees charged and increased use. Additional facilities are planned for the future and these in

turn will make the area more popular. The Commission feels that the first additional facility should be a diving board. The proceeds from the Miss Springboard Dance and the Citizen of the Year Dance will go for this purpose. We hope to have the diving board installed for the coming season.

Details of income and expenses are as follows:

### Receipts

Family Membership Tickets	\$ 470.00
General Admissions	190.00
	<hr/>
Total	\$ 660.00

### Expenses

Salaries, life guards	\$1,350.00
Printing of Tickets	23.90
Insurance	42.61
Electricity	4.72
	<hr/>
Total	\$1,421.23
Amount Paid by Town	\$ 761.23

We wish to express our heartfelt thanks to the organizations, merchants, and individuals of the area who, through their hard work and generous donations, have made this swimming pool possible. It has been a long, difficult process but the results are certainly worthwhile.

Respectfully submitted,

EMMA F. THOMPSON,  
MARGARET G. JENISCH,  
ANN T. CARPENTER,  
F. SYDNEY NISBET,  
GILBERT S. PAIGE.

# REPORT OF THE PUBLIC WELFARE OVERSEER

## ROSTER OF PITTSFIELD FIRE DEPARTMENT

---

*Chief*, CLARENCE E. ROBIE  
*Assistant Chief*, EDWARD GENEST  
*Assistant Chief*, BRUCE ADAMS  
*Supt. of Fire Alarm*, WALTER HALL

### Company No. 3

Carl Howe, Capt.	Arthur Constant
Charles Elkins, 1st Lieut.	Paul Riel
Clifton Barton, 2nd Lieut.	Jacques Nerbonne
George Rogers, Clerk	Frederick Hast
Doria Drolet	Rolande Blake
Reuben Leavitt	Donald Raney

Harry Wicks

### Company No. 4

Clifton Richardson, Capt.	Donald Farnham
Felix Jenisch, 1st Lieut.	Herbert Emerson
Stevens Davis, 2nd Lieut.	Edgar Riel
Charles Adams, Clerk	Frank Leavitt
George Reed	Vernon Lawton
Archie Rogers	Willard Bishop

Rodney Boyd

### Fire Department Equipment

- 2 — 500 Gal. Pumpers (1941-1947)
- 1 — 1,000 Gal. Tank Truck  
     (3 trucks radio equipped)
- 1 — Forest Fire Truck
- 1 — 12 Foot Rescue Boat with Trailer
- 2 — Scott Air Packs
- 1 — Ressuscitator
- 1 — 1,000 Watt Lighting System
- 1 — Base Station Radio
- 3 — Morrow Radio-phones
- 1 — Rescue Truck

## FIRE AND POLICE SIGNAL REPORT

---

There were 21 alarms over the fire alarm system this year; 9 still alarms, including 4 calls for the rescue truck, 1 false, 1 alert and Civil Defense Test. The No-School Signal was sounded twice.

Police signal gave no trouble. We try to keep up with modern fire fighting methods with our 1941 and 1947 500 gallon Pumpers by purchasing necessary gated siamese 2½ inch valves to give all water possible when needed, along with latest type 1½ and 2½ inch fog nozzles.

The Fire Station was painted this year and a new sign placed on the building.

No. 3 and No. 4 Companies again practiced summer evenings, laying hose, use of fog nozzles, pump operations, and ladder work.

Board of Firewards have met Friday evenings to check pumpers, equipment, etc.

IN REPORTING A FIRE GE 5-6522; Doris Howe receives the calls evenings, Saturdays, Sundays, and Holidays. Box 71 is pulled by her.

### RECOMMENDATIONS:

Some thought should be given for a new Fire Station, Forest Fire Truck, Boat and Trailer and Rescue Truck are housed elsewhere.

Respectfully submitted,

CLARENCE E. ROBIE,  
Chief of Fire Department.

WALTER HALL,  
Supt. of Fire Alarm Systems.

Asst. to Superintendent

WILLIAM C. HOBBS

## (b) REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Pittsfield:

I respectfully submit my fire annual report as your Superintendent of Schools.

### Staff

School began in September 1961 with a staff of twenty-eight teachers, however, a month later enrollments were so great that it became necessary to add another teacher to the high school faculty. There were ten changes in personnel.

Mrs. Ella Marie Carr, graduate of Colby College was employed to teach grade six, replacing Mrs. George Rand who moved to Maine.

Mrs. Janice Davis, graduate of Keene Teachers College was employed to teach Junior High English, replacing Mrs. Doris Burns.

Mr. Burton Hinckley, graduate of the University of Maine was employed to teach Junior High mathematics, replacing Mr. Arthur Miles who resigned to accept a Principalship.

Mr. Charles Kipp, graduate of Boston University was employed to teach music, replacing Mr. Bruno Rocco who resigned to accept a position in Milbury, Massachusetts.

Mr. Kent D. Locke, Jr., graduate of University of New Hampshire was employed to teach high school science, replacing Mr. George Corrette, who resigned to accept a graduate fellowship at the University of Michigan.

Mr. Bruce Pelton, graduate of Northwestern was employed as an additional teacher after the opening of school because of increased enrollments.

Mrs. Judith Snell, graduate of Plymouth Teachers College was employed to teach Junior High Social studies, replacing Catherine Petelle.

Mr. E. Harold Young, graduate of Saint Marys College was employed to teach High School Social studies, replacing Mr. Edwin Horne.

Mr. Richard Horne, graduate of Plymouth Teachers College was employed to teach high school mathematics, replacing Mr. Forrest Tibbets who resigned to accept a position in Nashua.

Mr. Claude R. Jean, graduate of the University of New Hampshire and Hofstra College, was employed as the

new High School Principal, replacing Mr. Waldren Lojko who resigned to accept a Principalship in Massachusetts.

There is one factor that every parent should realize contributes most to the success or failure of our schools, this is the quality of teaching. We are indeed fortunate in having a group of experienced teachers in our elementary grades who have given both stability and quality to our staff. In the upper grades we are also fortunate in having qualified instructors, however, with the turnover in the high school it is extremely difficult to maintain the continuity which is so essential to good instruction. I recommend we strive to maintain a more stable teacher situation through both friendly relationships and a salary schedule competitive with other New Hampshire school districts.

### **Enrollment and Space Needs**

In September of 1961 we had a total enrollment of 640 students. This is 42 more than in September of 1960. All three schools are over-crowded and are operating beyond normal capacity. High School classes were so large last fall that it was necessary to transfer one of the sixth grades from the high school building to the Legion Hall. We were then able to hire an additional teacher at the high school so as to relieve class size which in many cases exceeded 45. In September of 1962 we will require another classroom in addition to the one we now have at the Legion Hall. The second classroom is needed for the first grade whose enrollment is anticipated at 72. Make shift arrangements are costly and have limitations in so far as instructional services are concerned.

A Citizens Committee has been meeting since last July working to develop a reasonable plan for meeting Pittsfield's school building needs. The School Board in cooperation with the Committee has engaged an architect to work with them, and will propose a building program to the voters at the annual district meeting. I urge each of you to consider the committee's report and proposals carefully and to support their recommendations with your vote. Pittsfield's present school enrollment is 640. In seven more years our most conservative estimates show an increase of an additional 100 students!

### **School For Exceptional Children**

Pittsfield is now providing instruction for the educationally retarded student at the South Wolfeboro School. This school was started in September 1960 and is now in its second year of operation.

The assignment of pupils to this special class followed the administration of special tests, intensive study of each pupils educational record, teacher consultations, and parent conferences. The pupils selected are being provided instruction according to their ability and level of achievement. This type of instruction could not be provided in regular classrooms without taking a disproportionate amount of time from the regular course of study.

We now have two classrooms at South Wolfeboro and two specially trained teachers. The present enrollment is 24, and is made up of children from Pittsfield, Barnstead, Alton, New Durham, Wolfeboro, Tuftonboro, and Ossipee, with the costs shared equally according to the number of students sent from each district.

The cost may at first appear high when compared to educational costs for regular students, however, if an exceptional child can be trained to provide his financial needs as an adult, there is a great saving to society, not only in terms of manpower and human resources, but in terms of cold cash which some form of taxation must provide to otherwise care for an unproductive citizen. Exceptional children can be trained to be self-supporting and with reasonable protective laws they can make their contribution to society.

### **Repairs**

Our buildings have all reached a point where continued annual repairs are necessary. We were unable to do many of the repairs requested by the School Board this year due to limited funds. We were, however, able to reroof the auditorium, refinish some pupil desks and make some minor repairs in each building. It is unwise to continue to put off needed repairs each year. I recommend spending reasonable amounts annually to keep our equipment and buildings in the best condition possible.

### **Drake Field**

Drake Field, one of our towns most prized assets has been given a great deal of study and consideration during this past year. The School Board has recognized the need for many repairs and general improvements in order to maintain the field properly. A partial list of the repairs most needed are: Repairs to the grandstand, replacement of pipes that hold tennis court nets, varnishing the dressing rooms, repair to the fence that surrounds the field, replacement of grills over dressing room windows, painting of grandstand, additional lighting on the tennis courts, flushing out drains and catch basins, addition of fill and leveling of various parts of the field.

In order to accomplish these repairs and others not listed the Board has decided to recommend discontinuing the summer supervision that has been in operation for several years. Those who have been in association with the summer playground program will recognize that during the past few years the children's interest has dropped to such a point that very often only six to ten youngsters have participated on any given day. The swimming pool attracts many and other interests taken the toll. The one thousand dollars ordinarily spent for supervision is recommended for repairs. It is also recommended that additional permanent type playground equipment be added especially for the younger set who generally visit the park with their parents.

I would like at this point to give recognition to Colonel J. Frank Drake who has continued to provide financial support to the Drake Field Program. A special contribution of \$2,260.00 was made late in 1959 by Mr. Drake to hard-top the parking area. Receipt of this gift was inadvertently omitted from last years report. I know the School Board and the citizens of Pittsfield join me in extending our thanks to Colonel Drake for his continued generosity and support.

### Finances

I trust that every one will study the tables of statistics regarding expenses and income carefully. The School Board's requests are minimal and have been arrived at by not only considering educational needs, but also with full recognition of the cost to the individual taxpayer. We have realized a gain in State Aid of \$14,000 over the last fiscal year, and our tuition has been increased to our actual cost of \$435.00 per pupil. Larger enrollments, added costs for providing temporary classrooms, and the inflated dollar naturally require a larger appropriation than last year even if we are to maintain the same services that we are presently providing.

I am most grateful for the confidence you have shown me in allowing me to return to Pittsfield as your Superintendent of Schools, after having lived and worked with you as a citizen of your community, a teacher, and a principal. I will continue to place foremost the welfare of your children in fulfilling my duties to the best of my ability.

Respectfully submitted,

HOWARD F. KELLEY,  
Superintendent of Schools.

#### IV. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

---

##### (A.) REPORT OF HIGH SCHOOL PRINCIPAL

To the Members of the School Board, Superintendent of Schools, and Citizens of Pittsfield.

As the High School Principal of this community, it is with pleasure that I submit this, my first annual report.

"The Educational system is the life blood of any community. The future of every child in this community, as well as in all other communities, depends to a great extent upon the kind and quality of education that he receives. The kind of job or position that he holds, the prosperity that he may enjoy, his whole future well being, is conditioned on the type of training and education that he receives. The increasing complexity of the affairs of the world and society, the multifarious discoveries and developments of science and industry, the ever multiplying intricacy of business create at the present time the greatest challenges education has ever had to face. Their solution demand a curriculum that is both diverse and amenable to change with new developments, and a body of teachers with many and various skills and attainments."

The 1961-62 school year began with an enrollment of 352 pupils in grades 6-12 and a faculty of eight veterans and ten new replacements. The immediate concern of all at that time was the development of an orientation and adjustment program which would promote maximum efficiency. As a result of the cooperative efforts of all, it is believed that we have been successful thus far.

Not long after school opened, it became obvious that a number of Senior High School classes were so large that they threatened the soundness of our educational program. To alleviate the situation, officials of the district decided to hire an additional High School teacher and to make available a classroom previously used by one of the sixth grade classes. The location selected for the dispossessed sixth grade was the American Legion Hall. As a result of this action, much of the overload was relieved, and we retained our status as a recognized comprehensive High School.

A comprehensive program offers terminal education for those students who enter business and industry or the military services after graduation as well as a complete preparation for college or post-graduate technical study. However, in addition to specialized courses which students may elect, all pupils study a solid core of subjects essential to development as individuals and members of society.

At the end of the first marking period, a new report card and honor roll system was developed and presented to the parents and pupils of the district. The reactions were most favorable. It is hoped that these changes will help to promote and maintain high standards of pupil performance.

The basic philosophical position endorsed and promoted by the present administration and faculty can be summarized as follows: The primary responsibility of our school, as a dignified institution, is to provide quality education for all pupils. We encourage general participation in all school functions; including athletics, plays, school contests and canteens. However, it is our aim to put all school activities in their proper perspective. Important as co-curricular activities may be, they should never interfere with the achievement of academic competence.

The curriculum of Pittsfield High School has received much attention in recent years. Professional personnel and lay groups have spent a great deal of time and energy studying the various aspects of our total school program. I understand the findings have been generally favorable. It is my belief that the present curriculum is as good as our facilities permit. At the present, new supervisory practices have been incorporated by the administration, and the faculty has been engaged in Curriculum Development and Revision. As a result of these efforts, it is hoped that greater continuity will be possible on a year to year basis in the areas of curriculum coordination and integration.

A great deal of credit for the success of our school program goes to our teachers, both old and new. They all give unselfishly of their time and energy in order to better serve your children and community.

I wish to thank the parents and the many friends of Pittsfield High School for their help, cooperation, and support since I have been here. I look forward to working with you in the future.

CLAUDE R. JEAN,  
Principal.

**(B.) REPORT OF GRAMMAR SCHOOL PRINCIPAL**

---

Again this year we are fortunate in having no changes in the teaching staff for our six classrooms, two of which are very large while four small rooms are over crowded.

Mr. Charles Kipp, the new music supervisor, comes to each classroom once a week. He also conducts band lessons for 46 children, with 28 beginners, in the freshly cleaned and painted basement music room. Mrs. Sara Dodge kindly donated a piano for use there.

The basement room is used during noon recess for cold lunches where between 50-75 children eat daily. An average of about 50 children are transported to High School each noon for hot lunches.

Our educational T. V. programs have been a source of inspiration to all classes. Each week Grades 3 and 5 participate in Science lessons and Grade 4 is learning about our Granite State. With preparation and follow up work, we feel that these lessons are valuable visual aids.

With the continued support and cooperation of the parents and townspeople, all the teachers feel we can keep on making progress in the education and training of the children who attend our school.

Respectfully,

RACHEL A. SHERBURNE,  
Principal.

**(C.) REPORT OF MEMORIAL SCHOOL PRINCIPAL**

---

Once again we are enjoying having our same team of four teachers working together with first and second grade. Next year, 1962-63, looks like a record enrollment as we are now planning for seventy-two (72) in grade one and sixty-three (63) in grade two. These figures may vary some due to our frequent population changes in town.

Grade one is anticipating a revision in the basic reading program as announced by Scott, Foresman Company the first of this year.

After having the first grade entrance requirement firmed at six years of age on or before October 15 we are quite convinced that it has noticeably raised the level of achievement and emotional stability. When the home provides us with a pupil trained to listen and follow directions his chances of success increase tremendously. We believe that eventually a planned program of testing can be developed to enable children capable of doing regular first grade work at a somewhat younger age to be accommodated. Pittsfield really deserves a public kindergarten and we hope it might someday become a reality.

Respectfully submitted,

HARRIET R. AMES,  
Principal.

January 4, 1962.

**(D.) REPORT OF THE SCHOOL NURSE**

---

**School Health**

Number of Children given Vision Tests	594
Retest — 64	
Number of Children given Hearing Tests	591
Retest — 35	
Number of Children given Inspections	1081
Classroom - 423 — Individual - 658	
Number of Parents Consulted	176
Number of half days given to school work	169

Number of Children unsuccessfully vaccinated 3 times	2
Number of Children excused from vaccination	1
Number of Children excluded from school	22
Number of Children accompanied to Oculist, etc.	9
Number of Children to skin specialist	2
Number of Children to polio clinic	439
Number of Children to dental clinic	18
Number of Home visits	83
Heights	591
Weights	591
First Aid	429

Defective teeth	No. Affected	Corrected
Temporary 53		
Permanent 184	237	354
Defective vision	43	56
Defective Hearing	3	Under doctor's care
Defective Skin	1	Under doctor's care
Defective Scalp	1	Under doctor's care
Posture	11	3
Speech	1	Improved
Tonsils	39	4
Nail Biting	57	41

### Cases of Communicable Diseases

Chicken Pox	89	Pediculosis	3
Measles	4	Impetigo	6
Mumps	1	Rheumatic Fever	2
German Measles	28		

The general health of the school children seems very good. Our greatest need is dental work. The high school children seem quite well taken care of, but in the lower grades there is a great need for dental work. We appreciate the help given us for dental work through the State and the Salvation Army. Most of the children have had a series of three polio shots and many have had four or more.

We wish to thank the parents, teachers and School Officials, for their kind cooperation with the School Health Program.

Respectfully submitted,

DORIS H. DROLET, R.N.,  
School Nurse.

## (E.) PITTSFIELD PLAYGROUND REPORT

---

Chief activity for the summer was the Indian League, consisting of Epsom, Loudon, Chichester and Pittsfield. Pittsfield coaches were Mr. Conrad Pratt and Mr. John Genest. A total of twelve games were played. A bobby-sox team was organized under the direction of Miss Tracy Mousseau. They played four games with Northwood.

Climaxing the baseball season was a trip to Fenway Park for the team. Money for the trip was raised by a benefit movie under the direction of George Liouzis. Our many thanks to all those who supported the Pittsfield Mohawks during the past year.

The peanut league was continued from the previous year with teams under the direction of Redbirds—Eldon Duclos, Orangeades—Ralph Zinn, and Whitefangs—Leo Aubertin. About fifty-five boys from six to thirteen participated. The Whitefangs won the Championship over the Orangeades by one run.

Tennis instructions were offered twice a week by Mr. Pratt. A variety of games were played such as team relays, home-run hitting contest, peggy ball, pins, throwing contest, etc.

The field day on the closing day of the park was well attended. A total of 150 participated. During the morning and early afternoon races and contests were held with the main event being a decathlon. The decathlon was won by Robert Leduc, and he was presented with a trophy. Later in the afternoon ribbons were presented and ice cream served to all.

September 15 the Mohawk Chiefs were guests at the Little League Banquet in Concord sponsored by the Elks. Over two hundred boys were present and the 1960 World Series Movies were shown.

Respectfully submitted,

CONRAD PRATT,

September	16	February	18
October	21	March	21
November	18½	April	17
December	15	May	22
January	22 (1963)	June	12½

TOTAL DAYS — 183

This calendar has been designed to comply with RSA 189:1 as amended by the 1959 General Court and the Statement of Policy approved by the State Board of Education in March 1960. Teachers' attendance at the State Teachers' Convention will not count as a school day.

This calendar is subject to changes authorized by the School Board, State of New Hampshire education authorities, or when school is called off because of dangerous storms and emergencies. The minimum legal requirement of 180 days might necessitate continuing beyond June 19 if more than two school days are lost.

## SCHOOL WARRANT

## THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the School District in the town of Pittsfield, New Hampshire qualified to vote in District Affairs:*

You are hereby notified to meet at the Greenleaf Auditorium in said district on the eighth day of March, 1962, at seven o'clock in the evening to act upon the following subjects: (Polls for the election of officers to be opened not later than 7 P. M. and closed not earlier than 8 P. M.)

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will appropriate \$235,000, or any other sum, for constructing an addition to the high school, for altering and enlarging the high school and for originally equipping and furnishing such addition

and enlargement, and determine whether such sum shall be raised by taxation, transfer or borrowing, or take any action relative thereto.

10. To see if the district will appropriate \$97,000, or any other sum, to be used in addition to the sum appropriated under Article 9 for constructing an addition to the high school including an auditorium-gymnasium, for altering and enlarging the high school, and for originally equipping and furnishing such addition and enlargement, and determine whether such sum shall be raised by taxation, transfer or borrowing, or take any other action relative thereto.

11. To see what sum the district will vote to raise and appropriate for the payment of interest on the bonds for school construction, payable during the school year 1962-1963.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Pittsfield this fourteenth day of February, 1962.

BETTY A. BURBANK  
MARY D. OSGOOD  
RALPH W. BREWSTER  
School Board.

A true copy of Warrant — Attest:

BETTY A. BURBANK  
MARY D. OSGOOD  
RALPH W. BREWSTER  
School Board.
